Freedom of Information request: Right to know request

Thank you for your request regarding FWA Terminal Registrations in the Minehead area.

Your request was received on 31 January 2022 and we have considered it under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

Your request

Please provide me with a list of locations (& where held, frequencies) of 5Ghz)5725 – 5850 MHz - C-Band) terminals registered with Ofcom which are located within the Minehead area of Somerset. It is my understanding that this information is not shown on SIS.

Our response

The licensed 5.8 GHz locations are listed in Ofcom's System Information System ("SIS) at [Spectrum information portal - Ofcom](#) (click on 3. Licences, View Details). The map shows the deployments located in the database. If none are recorded, then they will not show on the map. Here is a link to the data the system uses <https://static.ofcom.org.uk/static/radiolicensing/html/register/WTR.csv>.

If you have any further queries, then please send them to information.requests@ofcom.org.uk quoting the reference number above in any future communications.

Yours sincerely

Zach Westbrook
