Dear

16 February 2022

Freedom of Information: Right to know request

Thank you for your request for information about Witney Radio MCA map (CR101261BA).

We received this request on 20 January 2022 and it was forwarded by our Broadcast licensing team to process as a freedom of information request. We have considered it under the Freedom of Information Act 2000.

Your request

You asked: 'I have looked on your website for their latest FM MCA map with their new relays and notice the MCA map is only for a single site. Is it possible you could update the MCA map on your website at some point or send me the latest MCA map for Witney Radio?'

Our response

The coverage map for Witney which includes the coverage extensions which have been launched by the service at Chipping Norton, Eynsham and Stonesfield is now available on the Ofcom website, [here](#). You may also note that the relay for Faringdon is not included in the attached map. This is because this relay has not yet been launched by the Licensee. Ofcom will only update and publish a revised version of this map once the relay has been launched.

I hope this information is helpful. If you have any further queries, then please send them to information.requests@ofcom.org.uk quoting the reference number above in any future communications.

Yours sincerely,

Gloria Akinyemi
