**Subject:** Happy New Year

Dear Nick,

Happy new year – I hope you and the family are well.

I was wondering if you'd have time for a catch up at some point soon. You may have seen that the Government here has just confirmed its plans to legislate on online harms, and that Ofcom will be the regulator – which is good news. And there are plenty of other things to discuss too, especially with the extraordinary developments in the US since November.

I'm copying in [REDACTED] in my office, who can liaise at our end.

Meanwhile all best wishes,

Melanie

Dear Nick,

I hope all is well – it's been a while since we caught up, and there's plenty to talk about.

If you are in London over the summer, it would be good to meet face to face. [REDACTED]
