[REDACTED] sincere apologies!

The 28th works well for me. Please see also this recent article in Variety.

That would be brilliant, [REDACTED], thank you.

It's always so much nicer to do things in person, so perhaps you could suggest some dates that work for you all and I could come over?

Hi [REDACTED],

Really good to hear from you – thanks for the update! Might it be an idea to set up a meeting with various Ofcom colleagues so that we can update you and vice versa? I'm thinking of our EDI in broadcasting team and also Standards colleagues looking at treatment of participants in programmes. We could do something virtually or you're welcome to come over to Riverside House! Let me know if that's of interest over the next few weeks and I'll look for some times.

All the best,

[REDACTED]

Hi [REDACTED]

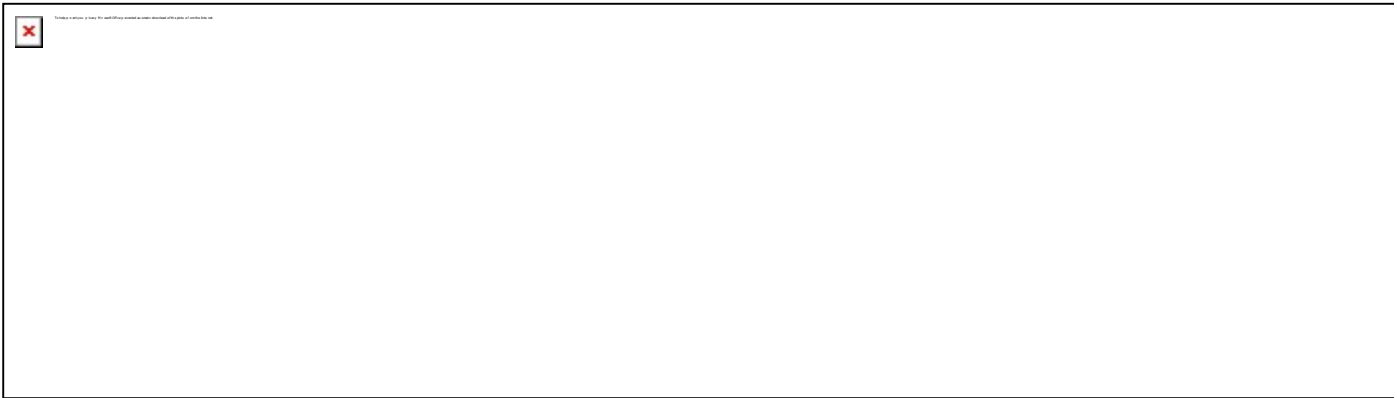

I just wondered if it was a good time to pop and give you an update on CIISA and how things are going.

UK Music announced their commitment yesterday.
