Dear,

Freedom of Information request: Right to know request

Thank you for your request for information concerning the number of calls made from BT public call boxes in the KY postcode area.

We received this request on 17 February 2025 and we have considered your request under the Freedom of Information Act 2000 ("the FOI Act").

Your request

Number of calls made in 2023 and 2024 from each BT public call box in KY1, KY2, KY4, KY5, KY11, KY12 and KY13.

Our response

The number of BT public call boxes in operation and information about closures is published here: [Service level – BT Payphones](#).

We do not hold information about call numbers from, or locations of, individual public call boxes for 2023 or 2024.

We do hold some information about public call box locations and call volumes that was obtained for the purpose of our 2021/22 review of the telephony universal service obligation. However, we cannot disclose the information we do hold, as it is exempt from disclosure under section 44 of the FOI Act. This exemption provides that information is to be withheld if its disclosure is prohibited under other legislation – in this case section 393(1) of the Communications Act 2003 (the Act). Section 393(1) of the Act prevents us from disclosing information about a particular business, in this case BT, which we have obtained in the course of exercising a power conferred by, among other legislation, the Act, unless we have the consent of that business or one of the statutory gateways under section 393(2) of the Act is met, neither of which apply here. Section 44 is an absolute exemption and does not require a public interest test.

I hope this information is helpful. If you have any further queries, then please send them to information.requests@ofcom.org.uk – quoting the reference number above in any future communications.

Yours sincerely,

Information Requests
