Hi [REDACTED],

Thanks so much for coming back to us on this.

We've added the Commissioner's agenda item to the end of the morning session now. She'll have up to 15 minutes (from 12:30 to 12:45) to close this part of the day. Also great to hear she'll be able to attend the full morning session.

Thanks again!

Best,
[REDACTED]

Hi [REDACTED]

Thank you so much for your understanding about this. Providing remarks at the end of the first part of day at 12.30pm would be great as the [REDACTED] will be able to stay for the full morning. [REDACTED] will be accompanying [REDACTED] and will be attending for the full day.

Kind regards

Hi [REDACTED]

Apologies for the last minute request, but if you could please get back to me about the below by 1pm, that would be great as we're working to finalise the agenda, slide decks etc. and we will need some time after lunch to do so.

Best,

[REDACTED]

Hi [REDACTED],

Thanks for your email and apologies for the delay in getting back to you.

Unfortunately we're unable to shift things around at the start of the day, but if it works out better timings wise, the Commissioner could instead open the second part of the day starting at 1:30pm? Or alternatively, she could end the first part of the day if she is able to attend the morning sessions between 9:30am-12:30pm? This is the full agenda for reference: [Online Safety event on human trafficking and sexual exploitation](#)

If she is not able to stay for the full morning or afternoon sessions, we appreciate it may be tricky for her to reflect on presentations and discussions we've had throughout the day, but we think it would be great if she could speak to her recent [Annual Report](#).

Please let us know about the above as soon as possible and we can make the necessary changes to the agenda.

Best wishes,

[REDACTED]

Hi [REDACTED],

I am so sorry to ask at this late stage but is there any possibility that we could move the Commissioner's slot to the start of the day?

If a rescheduling is not feasible, I completely understand and will do my best to make the current time work, but just to be aware that the Commissioner may not be able to attend for all the afternoon before her slot at the end. Hope that is ok?

Kind regards

Brilliant – that's great news and thanks for confirming!

Of course - our full agenda can be found using this link [Online Safety event on human trafficking and sexual exploitation](#)

The agenda item and time slot the Commissioner would be speaking to is the one titled 'Reflections and Close' (15:30-15:45). A 10 minute talk would be great if possible.

Best wishes,

Thanks [REDACTED], this sounds great. Do send over the suggested time slot and agenda to [REDACTED], and we can make sure it is blocked in IASC calendar, and she can make as much of the day as possible.

Hi [REDACTED]

Hope you had a nice bank holiday weekend and thanks for taking the time to speak to me a couple of weeks ago.

Since we spoke I've spoken to the team and we think it would be great if the Commissioner could do a 10-15 min 'reflections' talk towards the end of the event. During this talk it would be great if she could reflect on key discussion topics, next steps and provide some reflections on thinking ahead - what do you think?

We're hoping that the Online Safety Group Director, [REDACTED], will be there during the Commissioner's talk, and he will wrap up the day after the Commissioner has finished with her reflections on the day.

Please let us know what you think of this idea or if you have any questions!

Best wishes,
