

Your response

Questions concerning Ofcom's draft general statement of policy under section 105Y of the Communications Act 2003 (see Annex A5).

Question	Your response
<p>Consultation question 1: Do you have any comments on our proposed approach to compliance monitoring?</p>	<p><i>Is this response confidential?</i> – N Further information should be made available for Tier 3 providers, especially those Tier 3 providers that are providing services for Tier 1 and 2 companies. There is no clear guidance whether a Tier 3 company providing to Tier 1 will need to comply fully or not.</p>
<p>Consultation question 2: Do you have any comments on our proposed approach to testing?</p>	<p>Is this response confidential? – N More information should be made available regarding TBEST, currently there is limited information available to understand this in detail. In addition, there is no confirmation whether or not TBEST will apply to Tier 3 providers.</p>
<p>Consultation question 3: Do you have any comments on our proposed approach to enforcement?</p>	<p>Is this response confidential? – N No comment</p>
<p>Consultation question 4: Do you have any comments on our proposed approach to reporting security compromises?</p>	<p>Is this response confidential? – N Further information required regarding the definitions in paragraph 2.4. Also clarification on whether a fault which causes an outage would also need to be reported.</p>
<p>Consultation question 5: Do you have any comments on our proposed approach to information sharing?</p>	<p>Is this response confidential? – N No comment</p>
<p>Consultation question 6: Do you have any other comments on our draft statement of general policy set out at Annex A5 to this consultation?</p>	<p><i>Is this response confidential?</i> – N No comment</p>

Questions concerning Ofcom's draft guidance on resilience requirements in sections 105A to D of the Communications Act 2003 (see Annex A6).

Question	Your response
Consultation question 7: Do you have any comments on our proposed approach to resilience set out in section 4 of the draft guidance at Annex A6 to this consultation?	Is this response confidential? – N We would like to understand how OFCOM will ensure a consistent and measured approach to resiliency, especially on legacy networks
Consultation question 8: Do you have any comments on our proposed resilience guidance set out in section 5 of the draft guidance at Annex A6 to this consultation?	Is this response confidential? – N No comment
Consultation question 9: Do you have any other comments on our draft guidance set out at Annex A6 to this consultation?	Is this response confidential? – N We support any resilience improvements that can be made to public networks
