Question	Your response
Question 1: Do you have any comments on our proposals and proposed draft Guidance for Original Productions and updates to the Regional Production Guidance?	Yes - Re: 4.3 Repeats of UK originated programmes first shown on the main linear PSB channel can count towards delivery of the quota. – this is severely harming the UK industry at a time when it's in crisis.
Question 2: Do you have any comments on our impact assessments underpinning our proposals, as set out in Annex 3?	The UK independent production sector WILL NOT SURVIVE if Ofcom does not restrict the number of repeats that can be used to meet the original content quota. Repeats MUST be restricted by Ofcom; no more than two repeats may be used to fulfil the original content quota.
