<p><b>Question 3: Do you have any views on how to measure the BBC's performance?</b></p>	<p>Confidential? – Y</p> <p>There seems to be a decided anti-Semitic /anti Israel bias on reporting. On the same lines, the narrative given by the PA/Hamas/PLO is taken as true, even when it can be proved to be false, including pictures/videos of supposed atrocities undertaken by the IDF which are fake or altered to show what they are not.</p> <p>When there are casualties during a conflict, only the Palestinian casualties are named or numbered as victims. Any Israeli casualties are barely, if ever, mentioned. The Palestinians firing rockets, sending incendiary balloons or rock-throwing are described as freedom fighters, not, as they should be, terrorists, who have been trained by HAMAS.</p> <p>When Israel defends itself, it is reported as firing at innocent people of Gaza.</p> <p>Also the BBC seems to be pushing the LGBTQ+ agenda in its programmes. Presumably trying to appear 'woke' or trying to attain a high rating with Stonewall. Many of it's viewers do not want their regular programmes changed to include these ideologies.</p>
<p><b>Question 4: Do you agree with our proposed scope of the review in relation to content standards? If not, please explain why.</b></p>	<p>Confidential? – Y / N</p>

<b>processes, please set out what these are and, if possible, provide any relevant evidence.</b>	
<b>Question 6: Do you have any concerns about the regulatory framework for the BBC's commercial activities that are not being considered in the review of BBC Studios?</b>	Confidential? – Y / N
