Subject: EXTERNAL:Complaint against Ofcom refusing to allow BBC Radio 2 station extension.

Dear Sir or Madam

I am writing to complain about your refusal to allow BBC Radio 2 to extend to specific stations covering music from the 1950s, 1960s and 1970s. This is my preferred listening. I am aware of the commercial stations broadcasting this content but I find the advertising too intrusive to listen to them.

Your decision adversely affects my listening pleasure and just panders to commercial greed. Commercial radio stations have survived alongside the BBC stations for years, your decision just deprives me and people like me of choice.

Yours faithfully

Stephen Goodchild
