KDR10 - Please now think about how much time you personally spend online across a typical week. Please think about the time you spend using social media and messaging, watching films, TV programmes and videos online, playing games online, searching for information online, doing schoolwork or working from home. This could be using a mobile phone, laptop, tablet (like an iPad), computer, games console or Smart TV. Please think about weekdays and weekends, either at home or anywhere else. How many hours a week would you say you spend online?
