IN1. Do you ever go online? Please think about any reason you may have for going online - maybe to visit a social media site or app, look at a website or use an app, watch a TV programme or video clip, play games online or check emails. IF NECESSARY: This could be at home or at work, when out and about or elsewhere. It could be through using a fixed broadband connection, perhaps Wi-Fi, or through a 3G or 4G mobile network signal.
