A screenshot of a Facebook page. The top navigation bar includes the Facebook logo, a search bar, and navigation icons for Home, Friends, Messages, and Events. The left sidebar contains navigation options for EVENTS (Bobby and Gemma..., Chillsauce Picnic in..., Create Event) and DEVELOPER (Manage Apps, Insights). The main content area features a "Suggested Post" for WeWork, which is a sponsored post. The WeWork post includes the text: "Private offices, daily workspaces, conference rooms and all the benefits your business needs to grow. Schedule a tour of your new office at WeWork London today." Below the text is a photo of a modern office interior. The post also includes a "Learn More" button and engagement metrics (7 likes, 1 comment). To the right of the WeWork post are other sponsored posts, including one for Upwork and one for TaskRabbit. The TaskRabbit post features a collage of various household tasks and the text: "Get more done in less time. TaskRabbit.co.uk Get all your tasks done for as little as £15 per hour. Find same-day help now." At the bottom right, there is an "EVENT" badge and language selection options (English (US), Polski, Español).
