Introduction

Today we have some questions for you about your use of and attitudes towards different types of online TV services, known as 'video on demand' or 'streaming' services. This can include things like BBC iPlayer, Netflix and YouTube and many more. These services can be used via many different types of devices, for example on your TV set or through apps and sites on your smartphone or other internet-connected devices.

This research is being conducted on behalf of Ofcom, the regulator for the UK's communication industry.
