

Round schedule Notices and round results Notices issued by Ofcom under the Wireless Telegraphy (Licence Award) Regulations 2020

This file contains the automated round schedule Notices and round results Notices that Ofcom sent to bidders under the Regulations through the Electronic Auction System during the 700 MHz and 3.6-3.8 GHz auction. Please note that these Notices are a composite version of the Notices sent to individual bidders. With the exception of the Principal Stage and final auction results Notices, each bidder only received the information specific to itself.
